Re: U.S. v. Augustus Light, Case No. 03-cr-298  
Violation of Supervised Release

Dear Magistrate Judge Bowbeer:

The Court has scheduled this matter for a hearing on April 22, 2019 at 2 p.m. on the defendant's Motion to Reopen Detention. In support of its continued argument for detention, the government offers as an exhibit the video footage of the traffic stop on March 7, 2019, during which the defendant fled from police and was ultimately arrested. The government will be prepared to present certain clips of this footage at Monday's hearing, but has also submitted the full video files on a disc to chambers, so that the Court has the option of reviewing the footage in advance. These videos have already been produced to defense counsel.

The most pertinent portions of the videos are:

- On the file entitled "Officer Warren BWC": from the beginning through minute 15:30, which captures the traffic stop through the defendant's flight from police; along with 22:05 to 23:40, which captures the defendant's arrest following the chase.
- On the file entitled "Dash Cam": from 15:45 to 23:15, which captures the officers' pursuit of the defendant in their vehicle.

Please let me know if you have any difficulty opening the files, or if I can be of any further assistance in advance of the hearing.

Respectfully Submitted,

ERICA H. MacDONALD  
United States Attorney
